

AVIATION ACCESSORIES.....

BY: *Safeway* AVIATION PRODUCTS

THE MOLDED COVERS AND SLEEVES USED FOR OUR PITOT TUBE COVERS AND STATIC WICK PROTECTORS ARE MADE OF A CRACK RESISTANT NON-TEMPERATURE SENSITIVE VINYL; THE "REMOVE BEFORE FLIGHT" FLAGS ARE MADE OF A DURABLE FABRIC THAT RESISTS FADING. OUR STATIC WICK PROTECTORS MARK WINGS TO HELP AVOID HANGAR RASH, COLLISIONS BY GROUND VEHICLES AND EYE INJURIES.

5800 5/8" Pitot Tube Cover

REMOVE BEFORE FLIGHT!

3400 3/4" Pitot Tube Cover

300 Small Combo Yoke Clip (Fits 5/8" - 1" dia. Yoke Shaft)

600 Large Combo Yoke Clip (Fits 1" - 1 1/2" dia. Yoke Shaft)

OUR YOKE CLIPS ARE DESIGNED WITH PROTECTIVE PLASTIC COATING AND A SPRING CLIP TO PUT YOUR APPROACH PLATE, A PEN OR STOPWATCH IN FRONT OF YOU WITHOUT CAUSING CONTROL INTERFERENCE.

Our pressure relief Pitot Tube Covers help to avoid costly instrument failure repairs due to obstructed pitot tubes.

- * Made of durable nylon reinforced vinyl
- * Fastens together with Velcro® and easily slips over prop blades
- * Bright red with white lettering
- * Quotes for customized lettering available upon request
